

## **WORK EXPERIENCE**

### **Independent Web Development Study, Washington DC**

*March 2017-present*

- At the encouragement of my General Assembly instructors, I am completing the curriculum independently in order to explore the material at a more advanced level and quicker pace.

### **Web Development Student at General Assembly, Washington DC**

*December 2016-March 2017*

- Coded over 25 websites and apps using MEAN stack, JavaScript, Ruby on Rails, SQL, APIs and more.
- Gained proficiency in object-oriented programming, MVC frameworks, and data modeling.
- Received the highest possible score on initial project, a JavaScript version of the game Towers of Hanoi with a click-and-drag user interface.

### **Temporary Assistant at the Marijuana Policy Project, Washington DC**

*October 2016-November 2016*

- Researched, wrote, and distributed daily round-up of media pertaining to MPP election initiatives.

### **Freelance Copywriter**

*March 2015-September 2016*

- Completed five-month (August 2015-December 2015) full-time copywriting contract with the e-commerce retailer zulily.
- Independently designed, programmed, and disseminated JavaScript application to help zulily colleagues format their product descriptions
- Researched, wrote, and edited website copy, blog posts, and email marketing campaigns for clients in fields such as technology and real estate.

### **Project Associate at Management Sciences for Health, Medford, MA**

*October 2013-May 2015*

- Provided financial, logistical, and project management support to the \$142 million USAID-funded Integrated Health Project (IHP) in the Democratic Republic of Congo and additional projects in Mali and Madagascar.
- Monitored project financial and activity statuses including current project award obligation, accruals, expenditures, and pipeline.
- Translated, edited, and fact-checked quarterly reports, workplans, and other communications materials.

### **Search Marketing Associate at Wheelhouse Search, Seattle, WA**

*October 2012-September 2013*

- Received full-time offer after initial three-month internship period.
- Increased client social media account reach by 70% using Google Analytics, Moz tools, and Hootsuite to make appropriate adjustments to platform content.
- Increased Wheelhouse Search blog traffic by 55% by writing articles that used keywords determined by Google Analytics and market research.

## **COMMUNITY SERVICE**

### **Volunteer Law Clerk for Tulalip Tribes, Tulalip, WA**

*May 2013-July 2013*

- Organized, filed, and recorded legal memorandums, contracts, and assorted documents for the Tulalip tribe.

### **Volunteer Tutor for University Beyond Bars, Monroe Correctional Complex**

*November 2012-July 2013*

- Provided tutoring in English composition and philosophy for inmates seeking associate degrees at MCC.
